| BRIEF STATEMENT OF PURPOSE OF PRESENTATION: |
| <p>At its core, the Barrie Music Festival Association is dedicated to the artistic youth in Barrie. As a community, we must rise up to fill the gap caused by reduced funding to the performing arts in the education system. The arts have a crucial impact on our economy, as well as developing creativity, problem solving abilities and communication skills in our young performers. Without the arts, these skills will become lost over time. Our projects and programming are focused on workshop-style learning where a dialogue can be had between the student and the presenter in order to garner the most rewarding experience possible for all involved.</p> <p>We attract and maintain relationships with current professional adjudicators in the music industry because we offer them the opportunity to share their knowledge with a wide variety of artistic youth.</p> |

KATIE PERGAU (EXECUTIVE DIRECTOR) AND ELLEN WELLS (CHAIR OF THE BOARD) will present the successful activities and projects of the Barrie Music Festival Association.

This presentation will include a 4.5 minute video, compiling and celebrating 35 years of the Barrie Music Festival and other various projects.

We wish to thank the city council and funding committees for their operating and project grants over the past 3 years. This financial support allows the work of the BMFA to continue while we create relationships with new corporate sponsors and is allowing the BMFA to morph into a truly “Community-Minded” Association.
