McLEAN PROPERTY MZO - FINAL TECHNICAL COMMENTS

1. That the technical comments provided by staff in the Memorandum dated June 22, 2020 and included as Appendix "A" to Staff Report DEV025-20, together with the additional technical comments noted in Staff Report DEV025-20 be formally submitted to the Minister of Municipal Affairs and Housing, with a cc to the Township of Oro-Medonte and the County of Simcoe, for consideration in the context of the requested Minister's Zoning Order.

2. That the Minister of Municipal Affairs and Housing be formally advised that Council of the City of Barrie opposes the principle of development for the McLean property being established by a Minister's Zoning Order (MZO) because an MZO circumvents the technical report preparation and review process that underlay good planning and transparent decision making.
3. That the Minister of Municipal Affairs be formally advised that the Settlement area being discussed in the McLean proposal is the City of Barrie settlement area as noted in the Growth Plan and City of Barrie Official Plan, that the City of Barrie has not identified a settlement boundary expansion in this area and that the Barrie City Council is opposed to any consideration of an expansion outside of the Municipal Comprehensive Review (MCR) and Official Plan (OP) process, as required by the Growth Plan.
4. That the Council of the Township of Oro-Medonte and the County of Simcoe be requested to reconsider supporting the requested MZO and instead process the development proposal using an open, transparent and technically-based approach as intended by the *Planning Act*, Provincial Policy Statement, Growth Plan, MECP Design Guidelines for Sewage Works, *Clean Water Act*, applicable Official Plans and all related land development policies and guidelines.
