Provide a description of the facility/event opportunity under evaluation, whether this is a new or existing facility/event opportunity, provide a **snapshot** of the assumptions you are using in the evaluation (example: what and why).

Repair /Development and Maintanance of the Cricket Pitch at Maitland Park. This is an existing facility that was previously funded and developed by the City of Barrie, however it is currently in a poor to non-functional state. Currently 25-30 players regularly play on the ground, however on the make shift baseball diamond (also on the ground). There is potential for about 50-60 players from the local community that are interested to use the facility, every weekend, if it is safe and user friendly. A soft ball tournament is planned starting the last weekend of July, 2019.

Is funding needed or already acquired? Please describe:

Funding is required to repair / develop the existing facility.

Population serviced (Neighbourhood Community City-wide, Regional):
City of Barrie

Number and types of spaces; size (sq. feet), anticipated participants and / or attendees:
50-60 participants per event (League/Tournament/Practice)

Date(s) anticipated for the facility/event (if applicable):

Starting July 2019

Description of current/future use and user groups (types of community groups, overall idea of usage including number of participants and attendees):

There is a soft ball tournament planned for last weekend of July and First weekend of August.
If the facility is safe for play, a hard ball tournament is desired in the later part of Aug- Sep
Most of the players are local, with a few coming in from near by areas, upto the GTA.
6 teams (60 players) have already shown interest and are willing to register for the first tournament.
Moving forward, the facility could be used for grass roots cricket and to introduce the sport to young children and youth.
