M. PROWSE, CHIEF ADMINISTRATIVE OFFICER

RE: 2018 RECREATION SERVICES FALL/WINTER PROGRAMS

DATE: SEPTEMBER 10, 2018

It's that time of year for you to get involved in the fall programs at your local community centre. Once again we are offering an exciting menu of recreation programs for participants of all ages. Our Fall 1 session begins the week of September 22, 2018. Remember you can register for the Fall 1, Fall 2 and the Winter session today. Register early to ensure you have a spot. You can find our complete listing of programs offered at <https://www.barrie.ca/Living/RecreationPrograms/Pages/RecreationGuide.aspx>

Looking to explore something new? Why not try 55+ Sports Conditioning or Zumba Gold? Try a POUND class or Sword Fitness! You could choose Little Artists or Little Scientist, Mini Tap, Lego Creations or Eco Friendly Kids for the smaller set! Or maybe iPad Game Creation or Mobile App Development is of interest to your tween or teen!

If recreational sports leagues are your interest, we have a league for you! We have many leagues for all skill levels, from beginner to advanced. Choose your level and choose your sport from Dodgeball, Basketball or Volleyball and get ready to have some fun. Sign up as an individual or as a team. For a complete description of all these activities, visit us online.

We continue our partnership with All Sports All People offering Wheelchair Basketball at Lampman Lane Community Centre. This program provides people of all abilities the opportunity to try an exciting adapted sport. Sport wheelchairs are provided.

If you, your friends and family have multiple children who you would like to have swimming lessons on the same day at the same time, then Family Swimming Lessons are for you! It's super easy; choose the pool where you'd like your child(ren) to take lessons, find the day and time that is most convenient for you, and register. On the first day of lessons your child will be evaluated and placed in a class that is appropriate for their skill level and classes include the same content covered in traditional lessons.

Did you know all three of our community recreation centres have a well-equipped Fitness Centre? You can set your own schedule and attend classes with our affordable Barrie RecPass. You can even participate in other drop-in programs, including skating, hockey, swimming, open gym sessions and child-focused programs, like dance, pre-school and after-school fun. The RecPass gives you unlimited access to the drop-ins offered at all of our recreation centres and also comes at a reasonable monthly price, making it easy for you and your family to ensure active living is a priority in your daily schedule.
