
TO:	GENERAL COMMITTEE
SUBJECT:	STRUCTURE OF COMMITTEES OF COUNCIL AND PROCEDURAL BY-LAW UPDATES
PREPARED BY AND KEY CONTACT	W. COOKE, CITY CLERK/DIRECTOR OF LEGISLATIVE AND COURT SERVICES, EXT. 4560
SUBMITTED BY:	W. COOKE, CITY CLERK/DIRECTOR OF LEGISLATIVE AND COURT SERVICES
GENERAL MANAGER APPROVAL:	D. MCALPINE, GENERAL MANAGER OF COMMUNITY AND CORPORATE SERVICES
CHIEF ADMINISTRATIVE OFFICER APPROVAL:	M. PROWSE, CHIEF ADMINISTRATIVE OFFICER

RECOMMENDED MOTION

1. That members of Council be appointed to the various committees and boards of the City of Barrie in accordance with Mayor, J. Lehman's recommendations as specified in Appendix "A" to Staff Report LCS015-18, for a term ending November 14, 2022, unless otherwise noted.
2. That in accordance with Mayor, J. Lehman's recommendations, the Reference and Advisory Committee structure contained in Procedural By-law 2013-072 be amended as outlined in Appendix "A" to Staff Report LCS015-18.
3. That a Community Safety and Well-being Committee be established in accordance with the *Safer Ontario Act* with the following agencies, boards and/or commissions selected to provide a representative on the Committee:
 - a) _____ to represent a local health integration network for a geographic area in which the municipality is located, as determined under the *Local Health System Integration Act*, 2006; **or**

_____ an entity that provides services to improve the physical or mental health of individuals in the community or communities;
 - b) _____ to represent an entity that provides educational services in the municipality;
 - c) _____ to represent an entity that provides community or social services in the municipality;
 - d) _____ to represent an entity that provides community or social services to children or youth in the municipality; and
 - e) _____ to represent an entity that provides custodial services to children or youth in the municipality.
- 4) That each member of Council provide a quarterly update to the appropriate Reference Committee on behalf of any Advisory Committee or external Board to which the member has been appointed.

-
- 5) That the City Clerk be authorized to make the following amendments to Procedural By-law 2013-072:
- a) To add the National Anthem and Land Acknowledgement to the Order of Proceedings for City Council meetings;
 - b) To update the exceptions authorizing a meeting or part of a meeting to be closed to the public to reflect revisions to the *Municipal Act, 2001*;
 - c) To clarify that Open Delegations are only permitted with respect to matters within the jurisdiction of Council;
 - d) To identify that the provisions related to the reconsideration of decisions do not apply to the reconsideration of Planning matters resulting from requests/decisions of the Local Planning Appeal Tribunal;
 - e) To replace references to Acting Mayor with Deputy Mayor;
 - f) To identify that members of any committee or board who are absent for three consecutive meetings without permission from the Committee be removed from the Committee; and
 - g) To make other changes to the By-law to reflect court decisions and/or legislative changes, as may be necessary.
- 6) That the Township of Oro-Medonte and County of Simcoe be requested to provide written confirmation in accordance with Section 6.09 of the Lake Simcoe Regional Airport Agreement of the City of Barrie's appointments to the Lake Simcoe Regional Airport Board of Directors
- 7) That the Legislative and Court Services Department be authorized to advertise for candidates for appointment to those committees for which advertisements have not previously been circulated and extend the call for candidates for the Heritage Barrie Committee.

PURPOSE & BACKGROUND

- 8) The City's Procedural By-law 2013-072, provides a listing of the reference, advisory and special committees that have been established by City Council.
- 9) Councillor and citizen appointments for the various Boards and Committees expired on November 30, 2018, in most cases. There are some exceptions within legislation that permit appointees to remain on a Board until their replacements have been appointed. After the swearing in of each new City Council member, appointments are made to a variety of Council and committees.
- 10) The Legislative and Court Services Department is currently advertising in the local newspaper and on barrie.ca for the vacancies on the various statutory/non-discretionary boards and committees. Advertisements for appointments to non-statutory/discretionary advisory committees have not occurred at this time as the Committee structure will not be finalized until Council considers the recommendations from this Staff Report.

ANALYSIS

- 11) The Mayor's recommendations regarding appointments to the various Committees and Boards and the Committee structure are identified in Appendix "A" to Staff Report LCS015-18. The following paragraphs provide an outline of the proposed changes to the Committee structure.

Reference Committees

- 12) In general, the role of a Reference Committee is to provide advice and guidance to City Council (through General Committee) on the direction and nature of policy development and to complete fact finding and detailed analysis of the matters before the Reference Committee. Reference Committees deal with matters within the duties of the individual Committee, matters referred to it by City Council, matters on its pending list and/or items of an Advisory Committee that reports to it. The business dealt with by each Reference Committee must fall within the duties of the Reference Committee under the Procedural By-law. The Mayor is an ex-officio member of each of the Reference Committees.
- 13) Mayor J. Lehman has proposed a reference committee structure with two (2) committees, each composed of five (5) members of City Council (plus the Mayor as an ex-officio member). Regularly scheduled meetings are proposed to occur every month (or at the call of the Chair), with the exception of the months of July and August. Additional meetings if required, would be at the call of the Chair.
- 14) It is proposed that the meeting dates for the year be established at each of the first Reference Committee meetings.
- 15) The following outlines the proposed Reference Committee duties:

Finance and Corporate Services Committee (5 members):

The duties of the Finance and Corporate Services Committee shall be to study and report to the General Committee on matters referred to within the following subjects:

Corporate sustaining matters including financial (capital and operating budgets, revenue and taxation, financial policies, procurement and audit functions), legal, real estate, risk management, information technology, legislative, court, human resources, accessibility, health and wellness, communications, history and archives, corporate facility management, licensing services, intergovernmental, service and community partner relations, fire prevention, operations and training, community emergency management, recreation, seniors, youth, by-law enforcement services, customer service.

City Building Committee (5 members):

The duties of the City Building Committee shall be to study and report to the General Committee on matters referred to within the following subjects:

Infrastructure, investment and development matters including land and property development and use, property standards, street names, building standards, zoning, plumbing and building inspections, planning services (policy planning, development control, growth management, development policies and standards, housing policy, subdivision services, and heritage properties), City Centre revitalization, Infrastructure planning, design, and construction (roads, water, sanitary and storm sewers), Business Development – retention, attraction, and expansion services, Creative Economy, and transportation (roads maintenance, traffic management, transit operations, rail, and airport services).

Operational matters including, parks operations, environmental (water supply, treatment and distribution, wastewater collection and treatment, environmental investigation and response and waste management) and parking operations.

-
- 16) Mayor Lehman is recommending a Chair and a Vice Chair for each of the Reference Committees. The Chair and Vice-Chair for the City Building Committee would retain these positions for the entire term. The Chair of the Finance and Corporate Services Committee would be either Councillor Ward or Shipley when they are not acting in capacity of Deputy Mayor.
 - 17) Mayor Lehman is recommending that each member of Council provide a quarterly update on behalf of any Advisory and External Boards to which the member has been appointed. The update would be provided to the appropriate Reference Committee. This will allow for other members of Council and the public to be aware of the activities of these Committee/Boards.
 - 18) During the 2014-2018 Term of Council, a number of Reference Committees needed to be rescheduled or cancelled due to quorum issues. In consultation with Mayor Lehman, it is recommended that if a member is absent from any of their Committees for more than three consecutive meetings without the permission of the Committee that they will be removed from the membership. Members' attendance will be reported quarterly and published on the City's webpage. The Mayor and the City Clerk will meet quarterly prior to the report being published to discuss any Committee challenges and attendance. These provisions will also apply to the citizen appointees to the Committees.

Advisory Committees

- 19) Advisory Committees are established by City Council to consider and provide recommendations for City Council's consideration on a specific matter, reporting through a Reference Committee and General Committee. Advisory Committees are typically comprised of a majority of citizens and one or two members of City Council. The business dealt with by each Advisory Committee must fall within the mandate of the Committee as established by City Council. Staff in the Legislative and Court Services Department prepare agendas and record the meetings of the Advisory Committees. Generally, each Committee is assigned a staff liaison from the appropriate Department who can provide technical advice to the Committee members.
- 20) The Active Transportation Working Group was established in 2012 to work with the community stakeholders to develop recommendations to General Committee/City Council related to active transportation matters. Mayor Lehman is recommending that the Environmental Advisory Committee be merged with the Active Transportation and Sustainability Advisory Committee. This Committee's purpose is to bring active transportation stakeholders and community partners together to focus on the common goals of:
 - Promoting and facilitating active transportation initiatives in the City of Barrie;
 - Promoting the protection, maintenance and awareness of the environment within the community; and
 - Providing advice concerning environmental policy, planning and sustainability.

It is recommended that this Committee reports to the General Committee/Council through the City Building Committee.

-
- 21) It is recommended that the mandate of the Heritage Barrie Committee be amended to merge it with that the mandate of the Historic Neighbourhood Strategy and that the Historic Neighbourhood Strategy Working Group merged together with the Heritage Barrie Committee. By combining the efforts of the two groups into one, resources can be better utilized to work on advancing items contained within the Historic Neighbourhood Strategy, Heritage Strategy approved by City Council in 2018 as well as the matters typically addressed by statutory local architectural committees such as the Heritage Barrie Committee. This would also serve to ensure that there is a consistent approach to matters relating to historic neighbourhoods and heritage preservation. The membership of the Committee is recommended to be amended to provide for representation of each historic neighbourhoods and an alternate representative. The application process for the Heritage Barrie Committee would be extended to accommodate the change to the structure/mandate.
- 22) The International Relations Committee is recommending a change to the structure of the Committee to address the active versus abeyant (inactive) partnerships. The abeyant partnerships will not have representation or voting members on the Committee. These partnerships include Taizhou, China and Puerto Princesa, Philippines. If these countries reach out to reestablish partnerships, these sub-committees could be reestablished, with appropriate membership. The Committee is recommending that the Zweibrucken, Arras, Murayama, Harrogate, and Youth Ambassador Sub-committees be established with a maximum of three members each. The Committee is also recommending that a representative from the German Canadian Club be added to the Committee.
- 23) The *Safer Ontario Act*, requires municipalities to establish a Community Safety and Well-being Committee to develop a Safety and Well-being Plan before March 1, 2020. It is recommended that this Committee report to General Committee/Council through the Finance and Corporate Services Committee. The *Safer Ontario Act* requires that the Committee be composed at a minimum of the following:
- A person who represents:
 - A local health integration network for a geographic area in which the municipality is located, as determined under the *Local Health System Integration Act, 2006*; or
 - An entity that provides services to improve the physical or mental health of individuals in the community or communities.
 - A person who represents an entity that provides educational services in the municipality;
 - A person who represents an entity that provides community or social services in the municipality, if there is such an entity;
 - A person who represents an entity that provides community or social services to children or youth in the municipality, if there is such an entity;
 - A person who represents an entity that provides custodial services to children or youth in the municipality, if there is such an entity;
 - An employee of the municipality or a member of the municipal council;
 - A person who represents the police service board or, if there is no police service board, the commander of the detachment of the Ontario Provincial Police that provides policing in the area or his or her delegate; and
 - Any other prescribed persons.

Once City Council approves the specific agencies, boards and/or commissions to represent the above noted entities, staff in the Legislative and Court Services Department will contact the organizations regarding the provision of a representative for the Committee.

- 24) The following table summarizes the changes to Council's Advisory Committees as recommended by Mayor Lehman:

<u>Current Committee</u>	<u>Mandate/Objective(s):</u>	<u>Reports To</u>	<u>Recommendation</u>
Accessibility Advisory Committee	To champion issues related to the provision of an accessible community on behalf of all Barrie's citizens.	Finance and Corporate Services Committee	Maintain Committee (Statutory)
Communities In Bloom Committee	To help facilitate the development of Barrie, in the Communities in Bloom National Municipal Beautification contest, with a focus on flowers, landscaping, gardens, beautification and environmental awareness.	City Building Committee	Maintain
Active Transportation and Sustainability Committee	To promote and facilitate active transportation initiatives, to promote the protection, maintenance and awareness of the environment within the community and to provide advice concerning environmental policy, planning and sustainability.	City Building Committee	Merge responsibilities of the Environmental Advisory Committee and the Active Transportation Working Group
Heritage Barrie Committee	The Heritage Barrie Committee is responsible for establishing the criteria for the evaluation of properties of architectural or historical value and prepare and maintain a list of all properties worthy of conservation under the <i>Heritage Act</i> . The Committee keeps up to date on all heritage conservation legislation and programs and recommends to Council any programs worthy of consideration by the City. It provides information to property owners about the preservation of heritage properties and supplies information about the conservation of such properties. The Committee will provide advice and recommendations regarding the protection of historic neighbourhoods and coordinate the implementation of the Historic Neighbourhoods Strategy.	City Building Committee	Maintain (Statutory) and amend the mandate and membership to merge the Historic Neighbourhood Strategy Working responsibilities.

<u>Current Committee</u>	<u>Mandate/Objective(s):</u>	<u>Reports To</u>	<u>Recommendation</u>
International Relations Committee	To co-ordinate and enhance the City of Barrie's relationships with international communities for the benefit of the social, economic, educational and cultural development of our citizens and our community. The specific objectives of the mandate are achieved through the work of the individual sub-committees.	Finance and Corporate Services Committee	Maintain and amend membership
Municipal Elections Compliance Audit Committee	The powers and functions of the 2018-2022 Municipal Election Compliance Audit Committee are established in subsection 81 of the <i>Municipal Elections Act, 1996</i> .	General Committee	Maintain (statutory)
Order of the Spirit Catcher Committee	To review all nominations for the Order of the Spirit Catcher Award (adult and youth) and determine recipient(s) of the Award.	General Committee	Maintain
Seniors Advisory Committee	To represent and provide advice on Barrie seniors' perspectives on municipal matters related to: a) Seniors Housing and related planning matters; b) Transportation; and c) Communications and Civic Participation by seniors.	Finance and Corporate Services Committee	Maintain
Community Safety and Well-being Committee	To develop a community safety and well-being plan for the City of Barrie before March 1, 2020.	Finance and Corporate Services Committee	Add (new Committee)
Town and Gown Committee	To develop and enhance relationships, communications and policies between Georgian College, students, the City and the community.	Finance and Corporate Services Committee	Maintain

Committees/Boards that do not report through Council/Other Organization's Committee's

- 25) There are a number of Committees that have traditionally requested and/or required appointments by Council and do not report through City Council. In some cases, these are Committees/Boards associated with the City's partners such as the Barrie Police Services Board or the Greater Barrie Chamber of Commerce.
- 26) It is recommended that two alternate positions be added to the composition of the Committee of Adjustment. During the 2014-2018 term, this Committee experienced quorum challenges on a number of occasions. Appointing alternate members allows these individuals to be called upon if quorum is an issue or if a member resigns during the term. Due to the changes to the Transportation By-law the Taxi Working Group is no longer required.

Procedural By-law Updates

- 27) In order to ensure that the Procedural By-law is up to date and in alignment with current legislation and recent court decisions, the following amendments to the Procedural By-law are being recommended:
 - a) To add the playing of the National Anthem and a Land Acknowledgement to the order of business for City Council meetings. The playing of the National Anthem and the Land Acknowledgement statement is a practice in a number of municipalities throughout the Province;
 - b) To update the exceptions authorizing a meeting or part of a meeting to be closed to the public to reflect revisions to the *Municipal Act, 2001*;
 - c) To clarify that Open Delegations are only permitted with respect to matters within the jurisdiction of Council. A number of requests for Open Delegations received during the term were for items that were not within the jurisdiction of the City;
 - d) To identify that the provisions related to the reconsideration of decisions do not apply to the reconsideration of Planning matters resulting from requests/decisions of the Local Planning Appeal Tribunal;
 - e) To replace references of Acting Mayor with Deputy Mayor;
 - f) To provide for the rotation of Reference Committee Chairs during the term;
 - g) To identify that members of any committee who are absent for three consecutive meetings without permission from the Committee be removed from the Committee. This provision is being added to address quorum issues that were experienced by some Committees during the 2014-2018 term; and
 - h) To make other changes to the By-law to reflect court decisions and/or legislative changes, as may be necessary.

ENVIRONMENTAL MATTERS

- 28) There are no environmental matters related to the recommendation concerning the structure of committees and appointment of members of Council to the Committees.

ALTERNATIVE(S)

29) The following alternatives are available for consideration by General Committee.

Alternative #1: General Committee could maintain the existing Reference Committee structure with three committees.

Based on the frequency of the meetings held during the 2014 to 2018 term of Council, this structure is not recommended.

Alternative #2: General Committee could maintain the existing Advisory Committee structure, with the exception of adding the Community Safety and Well-being Committee.

This alternative is not recommended as the proposed Advisory structure would allow for two existing advisory committees to be merged with working groups that have similar purposes, provide for alternates on specific committees to ensure quorum is achieved and ensure that all of the active international relationships are represented by an associated sub-committee.

Alternative #3: General Committee could choose to expand the membership of the Community Safety and Well-being Committee.

Although this alternative is available it is not recommended as the members required for quorum will increase and if quorum is not achieved at these meetings, the mandated completion date for the Community Safety and Well-being Plan may not be achieved.

Alternative #4: General Committee could choose to appoint different members of Council to any of the Committees.

As the appointment of City Councillors to Committees is in accordance with Mayor Lehman's recommendations, no alternatives have been presented.

FINANCIAL

30) There are no direct financial implications associated with the recommendations in this Report. Indirectly, the proposed recommendations impact the amount of resources required to support the Committees.

31) Currently, the average amount of staff hours required to support each Reference and Advisory Committee varies according to the frequency, timing and amount of agenda material required for each meeting. At this time, it is not anticipated that the proposed changes will result in additional resource requirements related to Committee support.

LINKAGE TO 2018-2022 COUNCIL STRATEGIC PLAN

32) The 2018-2022 Council Strategic Plan has not been finalized as of the writing of this Report.

APPENDIX "A"

Committees and Recommended Committee Structures
