Deputy Chief Weatherill provided a PowerPoint presentation giving an overview of the monthly statistics for December 2018. There were concerns with the Provincial Offences Notices (PONs) being much lower than 2017. Deputy Weatherill advised that is directly related to the legalization of cannabis. Officers from the Traffic Unit have been directly involved with Standardized Field Sobriety (SFST) and Drug Recognition Expert (DRE) training which left the Traffic Unit complement at 50%. For 2019 4 weeks have been identified for a traffic initiative to focus on enforcement.

Board members requested the PON slide show both Highway Traffic Act (HTA) and PON stats separated.
