

ENGINEERING DEPARTMENT MEMORANDUM

TO: MAYOR J. LEHMAN AND MEMBERS OF COUNCIL

FROM: B. GRATRIX, P. ENG., INFRASTRUCTURE PLANNING ENGINEER

NOTED: B. ARANIYASUNDARAN, P. ENG., PMP, DIRECTOR OF ENGINEERING

A. MILLER, RPP, GENERAL MANAGER OF INFRASTRUCTURE AND GROWTH MANAGEMENT

M. PROWSE, CHIEF ADMINISTRATIVE OFFICER

RE: DUNLOP STREET CORRIDOR IMPROVEMENTS – FERNDAL DRIVE TO ANNE STREET - MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT - PUBLIC INFORMATION CENTRE NO. 2 (WARDS 2 AND 5)

DATE: OCTOBER 17, 2019

The purpose of this Memorandum is to advise members of Council that the City is presently undertaking a Schedule C Municipal Class Environmental Assessment (Class EA) to assess the implementation of transportation improvements identified in the City's Transportation Master Plan on Dunlop Street from Ferndale Drive to Anne Street.

A second Public Information Centre (PIC) is scheduled on Wednesday, November 6, 2019 at City Hall in Huronia Room A/B from 4:00pm to 7:00pm. The purpose of the PIC is to provide an opportunity for the public and agencies to review and comment on design alternatives that have been developed by the project team.

To advise the directly affected public of the PIC, a letter and comment sheet will be mailed on Friday, October 18, 2019 to agencies, businesses, property owners and tenants. To ensure Council has the same information as the public, this memo includes a copy of the mail-out information.

The following table identifies the current public contact point (shaded) for this Class EA:

Contact Point	Date	Method
Notice of Study Commencement	November 2018	Newspaper advertisements
Notice of Public Information Centre No. 1	June 2019	Newspaper advertisements and letters to directly affected public, agencies, First Nations
Notice of Public Information Centre No. 2	November 2019	Newspaper advertisements and letters to directly affected public, agencies, First Nations
Notification of Staff Recommendations to Council / Pre-Notice of Completion	Winter 2020	Letters to those who wish to be kept informed, agencies, First Nations
Notice of Completion	Winter 2020	Newspaper advertisements

Project details are available on the City's website at barrie.ca → City Hall → Environmental Assessment Studies → Dunlop Street Corridor Improvements – Ferndale Drive to Anne Street.

If there are any questions, please contact Brett Gratrix at extension 5117, or e-mail Brett.Gratrix@barrie.ca.

To All Area Residents / Business Owners / Tenants / Agencies / First Nations:

**Re: Dunlop Street Corridor Improvements – Ferndale Drive to Anne Street
Municipal Class Environmental Assessment Phase 3 & 4
Notice of Public Information Centre No. 2 and Invitation for Comment**

The City of Barrie is undertaking a Schedule 'C' Municipal Class Environmental Assessment (Class EA) study to address transportation needs for Dunlop Street West, from Ferndale Drive to Anne Street North. The purpose of this notice is to invite all those interested to attend a public information centre (PIC). If you are a member of the public, you are receiving this letter because you own property or reside within the study area boundary (see reverse).

Background

The City's Transportation Master Plan identified the need to widen Dunlop Street West to 3 lanes per direction (from Ferndale Drive to Anne Street) to accommodate planned growth to 2041. This study will evaluate alternative design concepts and select a preferred design alternative for implementation through a comprehensive evaluation process and in consideration of comments received from agencies, affected groups and the general public.

As part of this project, two PICs have been planned; the purpose of the PICs is to engage the public, present project information and solicit public comment. The first PIC was held on June 19, 2019 in the City Hall Rotunda. All property owners and tenants within the study area were sent an invitation letter and comment sheet.

Public Information Centre No. 2 and Invitation for Comment

A second PIC will be held to present detailed project information including design alternatives that illustrate individual property impacts. Project team members will be available to answer questions regarding the project and collect public comments. The PIC is an informal drop-in event.

Date: Wednesday, November 6, 2019

Time: 4:00 p.m. – 7:00 p.m.

Location: City Hall, Huronia Room A/B, 2nd Floor, 70 Collier Street, Barrie, ON L4M 4T5

Public comments received will be considered in the evaluation of the design alternatives. A comment sheet has been included with this letter. Please provide comments by November 15, 2019.

Project Web Site

The project website is located at barrie.ca → City Hall → Environmental Assessment Studies, then scroll down to Dunlop Street Corridor Improvements – Ferndale Drive to Anne Street.

If you have any questions and/or concerns, please feel free to contact Mr. Brett Gratrix at (705) 739-4220, extension 5117, or e-mail Brett.Gratrix@barrie.ca.

Yours truly,
