FOR IMMEDIATE RELEASE

Mapleview Drive closure will provide infrastructure for new developments in city's south-east end, including new high school

(Barrie, ON) The City of Barrie is advising of lane closures and an upcoming full road closure for a section of Mapleview Drive east of Yonge St.

Single lane closures are currently in effect on Mapleview Dr E. from St. Paul's Cres. to Royal Jubilee Dr. Starting November 25, Mapleview Dr. E. from Yonge St. to Royal Jubilee Dr. will be fully closed. This closure will last until late December.

This road closure will facilitate construction work associated with sanitary sewer and watermain installation. The work will ensure the City has critical infrastructure in place to service developments in the Hewitt's Secondary Plan Area and the new south Barrie high school.

Barrie Transit stops 514, 515, 522, 596, 597 and 602 will be out of service for the duration of the road closure. Route 3 will [detour](#) via Griffin Gate/Succession Crescent/The Queensway and back onto Prince William Way. A [GO Station Shuttle](#) will be provided to accommodate GO Train connection trips. A temporary stop will be provided on Griffin Gate for Route 3 and the GO Station Shuttle (the shuttle will service all other in service Route 3 Stops along its route). For more information, visit: barrie.ca/Transit.
