Subject: FW: Notice of Complete Application & Public Meeting - Harvie Rd/Hwy 400 (D14-1696)

Hi Celeste:

MTO has no objection to this Temporary Use By-Law application, “to permit agricultural activities, limited to field crops in an open field, as an interim use” on the SmartCentres lands southwest of Highway 400 / Harvie Rd..

The site is subject to MTO Building & Land Use permit requirements. Signs on the site are also subject to MTO Sign permit requirements.

Could you please advise if draft plan of subdivision approvals for these lands have been extended.

Thanks,
Peter Dorton
