Cc: **Brent Spangnol, Director of Planning, Township of Springwater**

RE: Primacare Living Solutions Inc., Seniors Campus of Care project at 727 Bayfield Street N

At its regular meeting on March 4, 2020, Council of the Township of Springwater passed the following resolution:

C085C-2020
Moved by: Cabral
Seconded by: Coughlin

That the Delegation from Matthew Melchior and Jill Knowlton from Primacare Living Solutions Inc regarding the development of Seniors Campus of Care at 727 Bayfield Street N be received.

Whereas Council supports the Primacare project, staff act as a resource to assist with providing information relative to the proposal to existing official plan conditions, zoning restrictions, policies, rules, or regulations that may impede the approvals;

Further: Given the close proximity to the City of Barrie that Council submit a written request to Barrie City Council informing them of the proposal and, given the benefits to the residents in the entire region, the support to RVH and, addressing the urgent need for Long Term Care beds, ask that consideration be given to any request for the necessary cross-border services required for the Primacare project to proceed.

Please find enclosed the delegate's presentation from the March 6, 2020, meeting.

The subject lands, 727 Bayfield Street North cross the Township of Springwater and the City of Barrie's border. The Township of Springwater respectfully requests the City of Barrie's Council, in support of the proposed project, provide direction to City staff to work with the Springwater's staff in developing a joint recommendation. The recommendation should consider the cross-border logistics that will need to be addressed before the project can proceed.

Please do not hesitate to contact me should you have any questions.

Yours Truly,

Sarah Elliott
Committee Coordinator/Administrative Assistant
