The General Committee met for the purpose of two public meetings at 7:08 p.m.

Mayor Lehman advised the public that any concerns or appeals dealing with the applications that were the subject of the Public Meetings should be directed to the Legislative and Court Services Department. Any interested persons wishing further notification of the staff reports regarding the applications were advised to sign the appropriate notification form required by the Legislative and Court Services Department. Mayor Lehman confirmed with the Director of Planning Services that notification was conducted in accordance with the Planning Act.

SECTION "B"**16-G-170****AN APPLICATION FOR AN AMENDMENT TO THE ZONING BY-LAW - SUBMITTED BY 2431805 ONTARIO INC. AND 2432874 ONTARIO LIMITED - 368, 372 AND 376 ESSA ROAD (WARD 6) (FILE: D14-1602)**

Mr. Cameron Sellers of Innovative Planning Solutions advised that the purpose of the public meeting was to review an application for an amendment to the Zoning By-Law submitted by 2431805 Ontario Inc. and 2432874 Ontario Limited., for lands municipally known as 368, 372 and 376 Essa Road.

Mr. Sellers discussed slides concerning the following topics:

- The application context including the location, size, current use and surrounding land uses;
- The current land use designation and zoning of the subject property;
- Identification of the subject property within the intensification corridor;
- The development proposal;
- An architectural rendering of the Essa Road streetscape and proposed building;
- Images detailing the results of a Shadow Study conducted;
- A map illustrating current and post-development drainage;
- A map illustrating and summarizing the proposed standards for intensification areas; and
- The proposed amendments to the Zoning By-law.

Mr. Sellers concluded the presentation by summarizing the application and by providing his opinion that the application was consistent with upper and lower tier planning policy and represents good planning.

Ms. Janet Foster, Senior Planner for the City of Barrie provided details related to the application, the special provisions requested to permit the proposed development, the associated primary planning and land use items being considered by City staff, and the comments received from the public who attended the neighbourhood meeting April 21, 2016.

VERBAL COMMENTS:

1. **Mr. Malcolm Hachborn, 44 Cityview Circle** questioned why residents are not permitted to drain stormwater into sewers but this apartment would be exempt. He commented on the request to exceed the maximum height limit, why growth was not occurring closer to the 400 and questioned why so much growth is being permitted in a secondary intensification corridor. Mr. Hachborn expressed his concerns associated with his feelings that the City is becoming the "wild west" of development and allowing developers do what they want. He asked when the City/developers would go back to adhering to the Zoning By-law.

2. **Ms. Danielle Hachborn, 44 Cityview Circle** commented that the intersection of Essa Road and Ferndale Road is not a great location at the top of the hill for bus service and that sometimes it takes her just as much time to take the bus as to walk. She indicated that she feels the plan presented is not accurate and did not promote active transportation.
3. **Mr. Carl Buchheit, 50 Cityview Circle** requested to view the supporting documentation associated with the subject application.
4. **Mr. Mario Titus, 2 Toronto Street** asked about the target market for the housing.
5. **Mr. Malcom Hachborn, 44 Cityview Circle** inquired regarding the type of units to be provided.

Members of General Committee asked questions of the presenter and City staff and received responses.

WRITTEN COMMENTS:

1. Correspondence from Richard and Gorete Bazsay dated June 12, 2016.
2. Correspondence from Cheryl and William Boyes dated April 24, 2016.

This matter was recommended (Section "B") to City Council for consideration of receipt at its meeting to be held on 6/27/2016.

AN APPLICATION FOR AN OFFICIAL PLAN AMENDMENT AND AMENDMENT TO THE ZONING BY-LAW - AFFORDABLE HOUSING - CITY OF BARRIE (FILE: D14-1605)

PRESENTATION BY THE BUILT FORM TASK FORCE WORKING GROUP

Ms. Kris Menzies of the Built Form Task Force provided a presentation regarding affordable housing.

Ms. Menzies discussed slides concerning the following topics:

- The membership of the Task Force;
- The mandate of the Task Force;
- The industry "enticement" approach;
- "Affordable" versus "more affordable" housing;
- A flowchart illustrating the "affordable" versus "more affordable" housing spectrum;
- Consideration related to defining "affordable" as well as "more affordable";
- The barriers to producing affordable ownership products;
- Potential solutions to provide for affordable ownership;

- Smaller product options;
- Photos and diagrams illustrating the size of small lot single, laneway house, back to back townhouse, stacked townhouse, multi-unit and container housing options;
- The new Zoning By-law considerations;
- A proposal to reduce in development charges or utilize the apartment development charge rate as an incentive for affordable housing;
- A chart illustrating development charges per housing type;
- Development charge comparisons in existing residential zones in the City versus the proposed small lot single zone if apartment development charge rates were applied;
- The Task Force's proposed financial incentives associated with City fees, parkland dedication or roads, urban design, roads and "freehold" stacked products; and
- Process changes related to a navigation position and site plan content.

In closing Ms. Menzies discussed potential amendments to the By-law to include definitions of built form and include the proposed housing options presented. She also discussed establishing definitions associated with affordable and more affordable.

Merwan Kalyaniwalla, Manager of Planning Policy for the City of Barrie, Planning Services thanked the Task Force for their work and discussed their recommendations and implementation of the affordable housing strategies.

Mr. Kalyaniwalla discussed slides regarding the following topics:

- The background related to the Affordable Housing Strategy and establishment of the Build Form Task Force;
- The current Official Plan provisions associated with affordable housing;
- The proposed amendments to the Official Plan through the addition of new policies to establish framework for affordable housing; and
- The proposed amendments to the Zoning By-law including new definitions, a general provisions table and a table of standards for identified Affordable Housing types.

In closing, Mr. Kalyaniwalla discussed the next steps in the process and the timelines associated with a report to General Committee.

VERBAL COMMENTS

1. **Mr. Ron Miller, 100 Cityview Circle** discussed his concerns with the proposed reduction in the amount parkland dedicated and associated fees and questioned where kids would play. He commented the proposed demographics for the affordable housing. Mr. Miller noted the increase in development costs and the difficulty to maintain affordability. He identified concerns with the continual reduction in setbacks. Mr. Miller suggested that the City look at what other municipalities have done when considering affordable housing.

2. **Mr. Carl Buchheit, 50 Cityview Circle** commented on his concerns associated with changing the engineering standards associated with the types of affordable housing being recommended. He stated that Engineers are required to adhere to professional standards in order to protect public safety. Mr. Buchheit noted that he would not want to see standards changed that would result in an endangerment to the public. He discussed the incident of the mall collapse in Elliot Lake. He asked if fire codes would be met and gave examples of where this type of housing is provided as a more affordable option.
3. **Ms. Sharon Dresser, 59 Cityview Circle** discussed the impacts related to the reduction of setbacks and where residents would put their snow after a snow storm. She also discussed her concerns associated with the narrower roads and possible impacts on access by emergency vehicles.
4. **Ms. Danielle Hachborn, 44 Cityview Circle** discussed if active transportation, parkland and sources of healthy food options outside of the downtown core had been considered, as not all area have these amenities.
5. **Mr. Malcom Hachborn, 44 Cityview Circle** discussed his concerns with container housing, land values in Barrie in comparison with places such as Taiwan and Toyoko. He requested that the character of Barrie not be changed. Mr. Hachborn questioned the proposal increasing in density and stated that he does not feel it is necessary in Barrie. Mr. Hachborn suggested Toronto undertakes this intensification first and that the City of Barrie is too small for this type of intensification.

Members of General Committee asked questions of staff and received responses.
