DEPUTATION(S) ON COMMITTEE REPORTS

18-A-068 **DEPUTATION REGARDING MOTION 18-G-170 FEASIBILITY OF POLICY CHANGE RELATED TO SEWER CONNECTION**

Mr. Chuck Harris provided a deputation concerning motion 18-G-170 regarding the Feasibility of Policy Change Related to Sewer Connections. Mr. Harris expressed his concerns with the state of the infrastructure on Frederick Street, where he resides. He stated that work crews are frequently making repairs to the sewer pipes on his street. He advised that he believes that the proposed neighbourhood renewal project for Frederick Street should take place as soon as possible. Mr. Harris indicated that he felt that policies that would provide a rebate for improvements to the sewer laterals would contribute to delays in completing the neighbourhood renewal project.

Members of City Council asked a number of questions and received responses from Mr. Harris and City staff.
