Cen	the phase tre as ider	d approach for i ntified in the Rep	mmediate and ort to Infrastrue	future operational growth at the R.A sture, Investment and Development	. Archer Operations Services Committee	
2. That the \$1.7M currently approved as design phase for renovations at the R.A. Archer Operations Centre within capital project #000282 (Operations Centre Renovations) be reallocated to construction phase, for immediate use to construct a salt-sand storage building at the R.A. Archer Centre totalling \$1.7M, allowing for the deferral of the larger redevelopment project to 2022 and 2023, subject to future capital prioritization. (P28/16 and P3/17)
