On agenda: 4/4/2018 **Final action:** 4/4/2018
Title: POSSIBILITY OF A REQUIREMENT FOR A DEPOSIT ON PLASTIC BOTTLES

P. Burstyn, Chair discussed his concerns associated with plastic bottle pollution. Mr. Burstyn suggested that by placing a deposit on plastic bottles this could potentially result in the reduction of litter found on our lands and bodies of water. The Committee would like to invite staff from Environmental Services and the Ministry of Environment to a future meeting to discuss this matter.
