COMMUNITIES IN BLOOM - FARMERS' MARKET

M. Boyd, Parks Horticulture Foreperson noted that this year's theme for the Barrie Farmers' Market is "Let's Get Growing".

The Committee discussed its participation at the Barrie Farmers' Market to promote the 2018 Communities in Bloom Program. The Committee noted that it will set up a registration table and distribute promotional brochures at the Farmers' Market on May 19, 2018 from 8:00 a.m. to 12 noon at City Hall. D. Ramsay volunteered to manage the Communities in Bloom table at this event.
