APPLICATION FOR A ZONING BY-LAW AMENDMENT - PENADY (BARRIE) LTD., ON BEHALF OF THE OWNER, PENADY (BARRIE) LTD. AND LOBLAW PROPERTY LIMITED - 319 CUNDLES ROAD EAST (WARD 3)

Mr. Oz Kamal of MHBC Planning Urban Design and Landscape Architecture, on behalf of Penady (Barrie) Ltd., advised the purpose of the public meeting was to review an application submitted on behalf of the owner, Penady (Barrie) Ltd. And Loblaw Property Limited to consider an amendment to the Zoning By-law for the lands located at 319 Cundles Road East.

Mr. Kamal discussed slides concerning the following topics:

- A map illustrating the site context including existing and surrounding land uses;
- The proposed Zoning by-law amendment;
- The current Official Plan By-law designation and permitted zoning on the property including the permitted uses; and
- The requested Zoning By-law amendment to allow for standardized parking rate to be applied across entire site and an increase in the maximum commercial gross floor area permitted.

Mr. Kamal discussed that it is his conclusion that the application complies with municipal policies and is compatible with the surrounding uses.

Mr. Steven Farquharson, Development Planner commented that the applicant is proposing a blended parking rate for the entire 319 Cundles Road East property. He noted that the overall proposed development contains multi-tenanted commercial and a mixed use commercial with residential. Mr. Farquharson advised that it was determined that a ward meeting was not necessary for this application and that the statutory public meeting would suffice for receiving comments from the public as the application does not propose to change the approved commercial and residential uses. In closing, Mr. Farquharson noted that the primary planning land use items being considered and reviewed by staff are the appropriateness of the increase in gross floor area (the total area of all floors in the building) and the proposed reduction in the parking rates for the residential.
