To: Planning and Building Services Department
City of Barrie
70 Collier Street
P.O. Box 400
Barrie , Ontario L4m 4T5

Subject: Draft Plan of Subdivision, Innovative Planning Solutions Inc. on behalf of
Encore Development Group, 521 and 525 Essa Road, Barrie, Ontario

1. Regarding your correspondence File D12-442 dated February 14, 2019. We are currently in Florida and providing an objection to the building permit with the following:

At the backyard of [REDACTED] Leslie Avenue, our neighbours property, is a very large and old tree. The root structure is more than likely 50% on each side of the fence reaching the new development and the property at [REDACTED] Leslie. If the contractor, is permitted to dig down in that location it would undoubtedly cause the eventual destruction of that tree causing it to fall in God knows what direction.

I would like the contractor, to provide us with some type of insurance for the repair of our fencing, bordering [REDACTED] Leslie and the subject Essa project as well as our home if it decides to fall that way.

Sincerely yours,

Arja S. Palonen
