OPEN DELEGATION BY HANNAH BREGMAN CONCERNING WALKABILITY IN BARRIE, ESPECIALLY IN THE URBAN GROWTH CENTRES AND HOW WALKABLE NEIGHBOURHOODS COULD BENEFIT THE CITY

Hannah Bregman provided an open delegation concerning walkability in Barrie especially in the Urban Growth Centres and How Walkable Neighbourhoods could benefit the City. Ms. Bregman explained that she chose to focus her analysis on the potential future redevelopment of Bradford Street for the creation of a walkable community.

Ms. Bregman discussed slides concerning the following topics:

- An outline of her experience and educational background;
- Potential and rationale for redeveloping Bradford Street to create a walkable community;
- Existing and proposed options for Bradford Street;
- Examples of a Move-Through and Destination Bradford approach;
- The rationale associated with induced demand;
- Examples of induced demands related to auto and multi-modal focus;
- Impacts of road widening and the effects on the City's goals to create walkable sustainable neighbourhoods; and
- The next steps.

In closing, Ms. Bregman suggested making Bradford Street a destination and not a thoroughfare.

Members of Committee asked a number of questions of Ms. Bregman and City staff and received responses.

The City Building Committee met and recommends adoption of the following recommendation(S):

SECTION "B"

MUNICIPAL HERITAGE REGISTER - COLLIER STREET UNITED CHURCH - 112 COLLIER STREET

That the property known municipality as Collier Street United Church located at 112 Collier Street be added to the Municipal Heritage Register as a listed property.

This matter was recommended to General Committee for consideration of adoption at its meeting to be held on 6/28/2021.

ALTERNATIVE FUEL STUDY - CORPORATE FLEET

1. That the conversion of the City's corporate fleet to battery electric and compressed natural gas fuelled vehicles be endorsed in principle.
2. That a full time equivalent position be approved and funded beginning in November 2021, for the purpose of developing and executing an implementation plan for fleet conversion, at an estimated total cost of \$150,000 per year for salary and associated burden.
3. That staff report back in the third quarter of 2023 with an implementation plan for fleet conversion and that implementation related budget requests be included in future business plans.

This matter was recommended to General Committee for consideration of adoption at its meeting to be held on 6/28/2021.

BARRIE TRANSIT ALTERNATIVE FUEL STUDY

1. That the conversion of the City's Transit fleet to battery electric buses (BEB), be endorsed in principle.
2. That a full-time equivalent position be approved and funded beginning in November 2021, for the purpose of developing and executing both the pilot program and implementation plan for transit's fleet conversion, at an estimated total cost of \$150,000 per year for salary and associated costs.
3. That an additional Capital Project in 2021 for the purchase of 1 conventional BEB and accompanying charging infrastructure for a total project cost of \$1.7M, which will be funded from Federal Gas Tax Reserve, be approved, with staff making every effort to leverage funding from upper levels of government when those programs become available to reduce the commitment from the Federal Gas Tax Reserve.
4. That the City of Barrie join Canadian Urban Transit Research and Innovation Consortium (CUTRIC) and that the membership fees be funded through the Transit and Parking Strategy Departmental Operating Budget.
5. That staff be authorized to submit applications for grants that would reduce capital expenditures or enhance capital projects associated with BEB's and a report or memo be presented, as appropriate, prior to the execution of any agreement associated with the acceptance of such grant.

This matter was recommended to General Committee for consideration of adoption at its meeting to be held on 6/28/2021.
