Motion for consideration:

That staff in the Development Services Department investigate the feasibility of installing a stoplight at the intersection of Johnson Street and Grove Street and report back to the Community Safety Committee.

Reason or Rationale in support of the motion:

1. **Johnson and Grove is a very busy intersection with many pedestrians.**
2. **The City has the funds to install the traffic light provided by the developer of the shopping plaza on the corner.**
3. **As Grove is being reconstructed this year, this is an opportune time to install the infrastructure required.**
