Mr. Prince and Mr. Gameiro,
I was in attendance at last night's meeting. I would like to be informed of future meetings regarding this and any other developments on Essa Road.
My husband and I bought the same house 11 and a half years ago in a quiet neighbourhood. That is what attracted me to this neighbourhood. We saw the development from start to finish on the south side of Coughlin. Then we saw the development north of Veterans past the mall on the west side of Essa. Then developments continued at Ardagh and Essa and Mapleton and Essa. When is this going to stop. The parcel of land being discussed seems awfully small for the proposition of 48 units.
Please keep me informed.
Mrs. Marian Wilkins
