RESIDENTIAL MULTI-UNIT WASTE DIVERSION STRATEGY

1. That staff be authorized to implement the provision of a Front End Bin Garbage Collection Service for the Multi-Unit Residential Sector commencing January 1st, 2018, and subject to the satisfaction of the Director of Legal Services, and that the Mayor and City Clerk be authorized to execute such contract revisions.
2. That a phased in approach to the implementation of a municipally provided Front End Bin Garbage Collection service be approved based on the following criteria:
 - Mandatory participation in the Multi-Unit Residential Source Separated Organics (SSO) Program;
 - Mandatory participation in the Multi-Unit Residential Recycling Program;
 - Compliance with a two (2) bag garbage limit every other week per multi-unit residential unit as specified through an approved bin size;
 - For mixed-use properties, mandatory physical separation of residential waste and commercial waste;
 - The use of the curbside collection service in addition to the front end bin collection service be prohibited;
 - Leaf and yard waste not be permitted in front end bins;
 - Household hazardous waste not be permitted in front end bins; and
 - Bulky items and white goods not be permitted.
3. That the phased in termination of the Landfill Tipping Fee Exemption Program be approved.
4. That there be no provision for a Rebate Program.
5. That the Front End Bin Garbage Collection Service be approved to continue to exclude ICI sector waste including the exclusion of ICI waste from mixed use buildings.
6. That the Planning Services Department be directed to prepare a report and schedule a Public Meeting to investigate the desirability of revising the Zoning By-law, and Urban Design Manual as required, to require property owners of new multi-unit residential properties to accommodate full waste management services on site.

7. That the addition of a permanent Waste Reduction Coordinator position for the implementation and maintenance of a Multi-unit Residential Collection Program, effective June 2017, be approved. (ENV004-15) (File: E00)
