I assume that Mr. Santos will be speaking in opposition to the recommendation approved by General Committee. If so, I would need correspondence indicating this.

Good morning Wendy.

The Zoning By-law Amendment & Site Plan Conditions were in front of Council last Monday (see the attached).

It is likely that this matter will be in front of Council again this Monday March 26<sup>th</sup>.

Joseph Santos, the President of AT Developments, would like the opportunity to speak in front of Council if that is possible.

Please confirm at your earliest convenience.

Thanks.
