Subject: Changes to North Shore Trail Vegetation Management Plan

Good Morning!

I would like to request the opportunity to make a deputation to Council on behalf of the Brereton Field Naturalists' Club (BFNC) on Monday Sept. 26 concerning the proposed changes to the North Shore Trail Vegetation Management Plan, as adopted by General Committee on Sept. 19, 2011.

BFNC does not support the proposed Vegetation Management Plan, including the increased maintenance of the area between the trail and Kempenfelt Bay and other proposed changes. We will outline our concerns in more detail in our deputation to Council.

Please confirm that you have received this request and what time the deputation will be scheduled.

Regards,

Alan P. McNair MCIP, RPP
Conservation Committee Chair
