Concept Master Plan

Sam Cancilla Park

The Sam Cancilla Park revitalization presents a significant opportunity to enhance the quality of life in our community while fostering growth in our beautiful downtown area. By supporting the plan presented by Michael Hassey and Rick Webster to the Infrastructure and Community Investment Committee on April 30, 2025, we not only contribute to the aesthetic and recreational value of our neighborhood but also promote a vibrant and sustainable future. Signing the petition card provided is a simple yet meaningful way to voice your support and help make this vision a reality.
