**CB 5.3****BARRIE TRANSIT ALTERNATIVE FUEL STUDY**

1. That the conversion of the City's Transit fleet to battery electric buses (BEB), be endorsed in principle.
2. That a full-time equivalent position be approved and funded beginning in November 2021, for the purpose of developing and executing both the pilot program and implementation plan for transit's fleet conversion, at an estimated total cost of \$150,000 per year for salary and associated costs.
3. That an additional Capital Project in 2021 for the purchase of 1 conventional BEB and accompanying charging infrastructure for a total project cost of \$1.7M, which will be funded from Federal Gas Tax Reserve, be approved, with staff making every effort to leverage funding from upper levels of government when those programs become available to reduce the commitment from the Federal Gas Tax Reserve.
4. That the City of Barrie join Canadian Urban Transit Research and Innovation Consortium (CUTRIC) and that the membership fees be funded through the Transit and Parking Strategy Departmental Operating Budget.
5. That staff be authorized to submit applications for grants that would reduce capital expenditures or enhance capital projects associated with BEB's and a report or memo be presented, as appropriate, prior to the execution of any agreement associated with the acceptance of such grant.
