(File: D14-1577)**

The purpose of the public meeting is to review an application for an amendment to the Zoning By-Law submitted by Innovative Planning Solutions on behalf of Frank Montagnese/Cygnus Developments for lands located on Cox Mill Road west of Yonge Street and north of Big Bay Point Road. The property is located within the Painswick North Planning Area. The property is known municipally as 203 Cox Mill Road and has a total area of approximately 0.11 hectares (0.27 acres).

The lands are designated Residential within the City's Official Plan and are zoned Single Detached Residential First Density R1 in accordance with Zoning By-law 2009-141.

The owner has applied to amend the current zoning of the property from Single Detached Residential First Density R1 to Multiple Residential Dwelling Second Density Special Provision RM2 (SP) to permit the development of a 3 storey, 8 unit walk up apartment.

The proposed Special Provision would recognize a deficient front yard; an increase in gross floor area and density; and a deficient landscaping buffer.
