Subject: Wednesday night deputation

Hi Craig,

I would like to share my thoughts on why Barrie's Police budget should be at least adequate to meet their needs. I firmly oppose any defunding of police, and i can briefly explain why : it is essential to the safety of women and girls, or any vulnerable person who spends time in Barrie to have a functioning police force that is able to respond in a timely manner.

If it is alright with you, I am willing to attend the City Council meeting on Wednesday night and say this to an entire room full of people.

Happy New Year by the way!

I will check my email, but if you want to text me my phone number is

Thanks,
Daisy Oliveros
