ROADS, PARKS AND FLEET
MEMORANDUM

TO:	**MAYOR J. LEHMAN, AND MEMBERS OF COUNCIL**
FROM:	**D. FRIARY, DIRECTOR OF ROADS, PARKS AND FLEET**
NOTED:	**R. FORWARD, MBA, M.Sc., P. Eng., GENERAL MANGER OF INFRASTRUCTURE AND GROWTH MANAGEMENT**
	M. PROWSE, CHIEF ADMINISTRATIVE OFFICER
RE:	**2018 TRAFFIC CALMING LOCATIONS**
DATE:	**MAY 7, 2018**

The purpose of this Memorandum is to advise members of Council on the status of the 2018 Traffic Calming Program. Staff have started the implementation of the 2018 Traffic Calming Program with the installation of temporary speed cushions located throughout the City.

Traffic Services staff have been working with the local Ward Councillors to determine the locations of the temporary traffic calming measures. The locations are listed in Appendix "A" to this Memorandum.

Staff recently purchased additional temporary speed cushions from a municipal auction to be utilized in the 2018 season. Therefore staff will be implementing a total of seven (7) crossings per ward.

Staff have been utilizing collapsible bollards in varying configurations to further expand the temporary traffic calming measure program and to be able to impact more neighbourhoods in the city. These temporary traffic calming measures received positive feedback from the Ward Councillors and area residents. This year staff will be installing temporary median islands on Stanley Street, and Ferris Lane.

Traffic Services, Communications and Strategic Initiatives staff will work together to prepare a communication package for 2018 and City of Barrie website updates to coincide with the Traffic Calming Program installations.

Staff will continue to perform traffic investigations on roadways identified by the public and local Councillors for permanent traffic calming measures and the development of additional temporary measures.

**ROADS, PARKS AND FLEET
MEMORANDUM**

APPENDIX "A"
