YOUTH EVENT

The Committee further discussed their ideas for a youth event, including the overall scope of the event, size, location and date. Members noted the unique challenges involved in planning an event catered to youth and agreed it would need to consider aspects of student life, such as summer break, extracurricular activities, and transportation limitations. The Committee hopes to use results from their Youth Survey to guide further planning. Staff

will follow-up on ideal dates and locations and report back at the next meeting.

YOUTH SURVEY

The Committee discussed the draft Youth Survey to be amalgamated with the Bright Futures Barrie survey. Members brainstormed ways to circulate the survey outside of Georgian College, such as through their own schools and marketing via social media. Staff will reach out to the Marketing and Communications Department to assist with the final version of the survey and its promotion.
