> Subject: Jean Street Meeting in Nov / Dec

>

> Hi Wendy

>

> My topics include

>

> Unsafe road - my son broke his arm skateboarding when he road over one of countless ruts.

> Deferred capital works

> Explain state of the street - rocks and tree roots stick up through

> the pavement This is an original cottage road annexed from innisfil

> that has never been replaced Septic repairs from neighbours - close to

> lake Holding tanks Street is not passable by two cars without driving

> on dirt shoulder Emergency vehicles and municipal garbage trucks are

> unable to travel road if a car is parked on side of road Electricity

> constantly blacking out Snow removal equipment tear up grass and leave

> large tire ruts on shoulders Snow removal vehicles unable to properly

> clear road because the road is uneven dipping up and down with large

> elevation changes No sidewalks on Dock Road with fast moving traffic.

> No street lights Flooding at Tyndale and Jean Open ditches - no storm

> water managment

>
