Brief Statement of Purpose of the Open Delegation:
I would like to formally request to speak during the open delegation at an upcoming general council regarding the planned implementation of no parking signs on Greer Street. My concern is the impact this change will have on residents, particularly given the high-density nature of the street and the limited alternative parking options available. I would like to present these concerns and explore potential alternatives that better address the needs of the community.

Please let me know the next available meeting date and any steps I need to take to proceed with this request.

Thank you for your time and consideration.

Warm Regards,
Bryan Flannery
