Hi Steve,

Here are my thoughts for the upcoming public meeting in regards to the City's Comprehensive Zoning By-law 2009-141.

I am in total favor of the proposed rezoning of 411 and 417 Huronia Road to a C4 commercial zoning.. I believe this is more reflective of the surrounding area and the current uses in the plaza.

Please advise me if this is sufficient or if you would require a more detailed input.

Kind Regards,
Walter Cardiff
