SECTION "A"

12-G-035

APPLICATION FOR A PROPOSED OFFICIAL PLAN AMENDMENT - IMPLEMENTATION OF THE NATURAL HERITAGE STRATEGY - THE CITY OF BARRIE (February 27, 2012) (D09-OPA14)

Celeste Terry, Senior Planner of the City of Barrie explained that the purpose of the public meeting is to review a proposed amendment to the Official Plan to implement a Natural Heritage Strategy (NHS). She explained the purpose of the Natural Heritage Strategy and reviewed the current schedule (Schedule H) and policy contained within the Official Plan. She provided the background concerning the process to define the environmental features at both provincial and local levels for the proposed NHS strategy. Ms. Terry explained the proposed Schedule 'H' and noted that an analysis was undertaken to establish three new levels of classification contained within the proposed strategy. Ms. Terry described in detail the proposed policy and reviewed the three levels of significance contained within the policy. She explained how the NHS will impact the review that may occur to consider future development applications. Ms. Terry concluded by outlining the next steps in the process and provided contact information for individuals interested in obtaining additional information concerning the proposed policy.

PUBLIC COMMENTS:

1. **Gary Bell of Skeleton Brumwell and Associates Inc.** noted that he was providing comments on behalf of Bell Media, owners of the television station lands adjacent to Highway 400. He stated that he was supportive of the initiative to establish a city-wide Natural Heritage Strategy within the Official Plan for the City of Barrie. He commented that he believes the mapping and policy should be based upon a careful and realistic evaluation of the natural heritage features and functions of particular properties, particularly larger ones. Mr. Bell stated that the policy is too broad because of the policy implications of the proposed strategy. He noted that he believes the policy should be refined for the Bell Media property. He explained that site specific studies had been submitted in the late 1990's and 2000's to the City concerning the natural heritage conditions, features and functions found on the Bell Media property. Mr. Bell commented that an Official Plan amendment, site plan and zoning by-law amendment were established for the Bell Media land. He commented that Bryne Drive will run into a level one area as defined by the proposed policy. Mr. Bell noted that he believes the exemption proposed by policy d) is well intended but may place constraints and create a negative impact on economic development. He expressed his belief that attention should be placed on the true extent of the natural heritage features using documents submitted in the past and the Lake Simcoe Region Conservation Authority's review. He suggested that there should be a distinction between a true level one property and one that has some natural heritage features. He concluded by stating that Bell Media will be submitting a more extensive review of the proposed policy.
2. **Darren Vella of Innovative Planning Solutions Inc.** noted that he was speaking on behalf of two clients, the owners of the property located at 70 Edgehill Drive and TLM Holdings Inc. who own property on the North half of Lots 9 and 10, Concession 13. Mr. Vella commented that he agrees with the comments provided by the previous speaker. He stated that the maps associated with the proposed policy become distorted and unclear when they are magnified and inquired if more detailed mapping will be provided. He concluded that he intends to meet with planning staff from the City to review the subject sites and until he is able to determine the level of significance applied, he is reserving rights on behalf of his clients.

Members of General Committee asked a number of questions related to the presentation.

APPLICATION FOR A PROPOSED ZONING BY-LAW AMENDMENT - PBM REALTY HOLDINGS INC. - 364 ST. VINCENT STREET (February 27, 2012) (File: D14-1526)

Darren Vella of Innovative Planning Solutions explained that the purpose of the public meeting is to review an application for a Zoning By-law Amendment submitted by Innovative Planning Solutions on behalf of PBM Realty Holdings Inc. for lands located on the west side of St. Vincent Street and south of Highway 400. He noted that the lands are located in the Alliance Planning Area, is known municipally as 364 St. Vincent Street and has a total area of 5.62 hectares. Mr. Vella provided an aerial photo of the subject property and surrounding area. He described the existing site conditions and surrounding land uses. He reviewed the current Official Plan designations and existing zoning for the site.

Mr. Vella explained the development proposal for the property and provided details concerning the proposed zoning by-law amendment. He displayed the redevelopment plans prepared by Ian S. Malcom Architects and outlined the studies that have been submitted to the City in support of the application. Mr. Vella indicated that he believes the application is consistent with provincial policy planning and the City of Barrie Official Plan. He concluded by providing a summary of the proposal and his professional opinion with respect to the planning rationale associated with the application.

Members of General Committee asked a number of questions related to the presentation.

CITY COUNCIL “BUMP UP” REQUEST FOR SITE PLAN APPROVAL FOR PLACE OF WORSHIP AT 650 ESSA ROAD (HOLY SPIRIT PARISH)

That the following motion be referred to the Development Services Committee for consideration:

- “1. That the conditions of site plan approval for lands owned by Roman Catholic Episcopal Corporation for the Diocese of Toronto, located at 650 Essa Road, as approved by the Manager of Development Control and issued on July 16, 2010 be approved as outlined in Appendix “A” of Staff Report PLN009-12 and that the Mayor and City Clerk be authorized to execute the Site Plan Agreement.

2. That the following condition be added to the site plan conditions. "The water distribution system on Essa Road from approximately 230 metres south of Coughlin Road to approximately 400 metres south of Coughlin Road is to be constructed by the owner/applicant at 650 Essa Road under the requirements of Section 326 of the Municipal Act. Under the Act, the owner/applicant will be reimbursed by any benefitting landowners and the City of Barrie when the reconstruction of this section of Essa Road (Coughlin to Mapleview Drive) is approved in the capital budget. The owner/applicant will also be required to pay their fair share of the watermain cost fronting their property under Section 326 of the Municipal Act when this section of road is reconstructed."
3. That a By-law be prepared to authorize the recovery of capital costs for the installation of a watermain on Essa Road from approximately 230m south of Coughlin Road to approximately 400m south of Coughlin Road, through the collection of a per metre frontage charge plus lateral costs from benefitting properties abutting the proposed new sections of watermain, as provided under Section 326 of the Municipal Act, with payment options as detailed in Appendix "C" of Staff Report PLN009-12."
