PM 210602 PUBLIC MEETING - DRAFT NEW OFFICIAL PLAN FOR THE CITY OF BARRIE

The purpose of the Public Meeting is for City staff to present the draft new Official Plan and give the public an opportunity to make comments regarding the draft new Official Plan.

The Official Plan is a long-range planning document that sets out a high-level strategy and vision for how land will be used within a municipality. It contains maps and land use policies that manage and guide growth and development in accordance with applicable Provincial policy and a municipality's vision for the future.

The draft new Official Plan for the City of Barrie titled "One City, One Vision, One Plan", establishes a structure to help manage how and where Barrie will grow into the year 2051. Further, the draft new Official Plan is organized around key community-oriented themes that emerged through public consultation. Each theme addresses how to further build Barrie as a thriving, sustainable and attractive complete community.

Presentation by Michelle Banfield, Director of Development Services.
