Dear Legislative Services,

Please accept my late submission for a request to give a deputation against motion 19-G-104 at City Council this Monday, April 29th 2019. I was late to learn about this opportunity, but the discussion about Active Transportation planning is of great importance to me as a resident.

I am aware of another resident who intends to submit a similar (late) submission on this item.

Thank you for your consideration,  
Judy
