To Whom It May Concern

We would like to acknowledge the assistance we received from the Georgian College Students working through Barrie HomeShare iCo-op in our time of need this year.

Unfortunately, due to Covid 19 we had to replace the person handling and updating our website with little warning and in these challenging times our resources were limited.

I reached out to Martin Rochon, Social Impact Projects Coordinator, Centre for Changemaking and Social Innovation at Georgian College, to request his possible assistance in finding an answer to our need for updating our CARP Chapter 36, Barrie and Surrounding Areas website.

I cannot stress enough how the immediate and competent response from Martin Rochon and his students solved our dilemma in our time of need.

Sincerely,
