VERBAL COMMENTS:

Matt Barton, 119B Henry Street, inquired about the timelines and rental fees for the proposed development. He expressed his concern with the lack of low-income housing in Barrie due to the amount of existing higher-end apartment buildings and not enough low-income housing. Mr. Barton advised that he rents his current house at a reasonable rate, but he is concerned he may have to move due to the apartment being built in his neighbourhood.

Members of Council asked a number of questions to Mr. Chisholm, Ali Malek, Founder and Principal Architect - Urbanscape Architects and Sophia Kanavas Gonzalez, Planner and Urban Designer - M. Behar Planning and Design Limited and received responses.
