CYCLE BARRIE INFRASTRUCTURE PROGRAM - CONSULTANT TEAM PROJECT UPDATE

Brett Gratrix, Infrastructure Planning Engineer introduced Dave McLaughlin of WSP who provided the Committee with a presentation on the City of Barrie Interim Cycling Network, starting the presentation off with an introduction of the project team.

Presentation slides included:

- What Are We Doing;
- Evolution of Cycling Facility Design;
- Facility Selection Tool: Step 1 - Urban Facility Selection Nomograph;
- Facility Selection Tool: Step 1 - Rural Facility Selection Nomograph;
- Potential Design Solutions - OTM Book 18 - Transit Stops;
- Potential Design Solutions - OTM Book 18 - Driveways;
- Potential Design Solutions - OTM Book 18; and
- Next Steps.

The Committee asked questions and were provided answers.
